Greg Strong is an active member of the AKC Registered Handling Program. He has been involved in breeding, raising, and training show dogs his entire life. He attends an average of 140-160 dog shows each year. He has been successful in exhibiting all seven Groups with many Best In Show winners. He was awarded AKC Handler of the Year in 2013. In addition to Professional Handling, Greg owns a Boarding, Grooming, and Training facility in Easton, Maryland.

This is an information-packed seminar covering all aspects of showing a dog.

It is designed for the beginner and intermediate, but has been well received by the seasoned exhibitor as well.

This is a working seminar, but includes periods of lengthy lecture and discussion.

Participants should bring a well socialized adult dog (at least 12 mos. of age) to the seminar. It is important to emphasize bringing a well-behaved dog so the participant can focus on learning themselves.

Crating space for participants' dogs will be available ring-side.

The host Club will be providing seating, tables, lunch and beverages, but if you have specific dietary or seating needs, you may bring your own.

*Please complete the attached registration form and remit payment before 8/4/2024.*

**Cost (both days): Working Participants \$300  
Observers \$150**
